

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is an extremely
dangerous precedent.

This is clearly
utter garbage that
is being shoved down
the throats of
innocent americans
by large companies
with a politcal
agenda. If this is
not illegal and an
immoral affront to
decency as well as
against all
democratic values
than nothing is.

Sinclair's actions
clearly show why we
need to greatly
strengthen media
ownership rules.
They show why the
license renewal
process needs to
involve more than a
returned postcard.
Thank you.
